Strict measures will be in place to protect the integrity of the Tour.*

TOUR AND TOURNAMENT FORMAT

The APT provides tournaments at the local level, with a Player of the Year Race in each division occurring in each chapter. APT members also can compete in national majors at some of the top golf resorts in the country for a separate award. The season culminates at the 2024 North American Championship and Senior North American Championship, to be hosted in Myrtle Beach, SC from September 20th-22nd and September 24th-25th, 2024.

A vast majority of tournaments ran by the APT are individual flighted, stroke-play events utilizing gross scoring. Other types of tournaments available to APT members are team events, stableford, match play, etc.

TOURNAMENT REGISTRATION

APT Members can register online via our website at amateurplayerstour.com or through the **Amateur Players Tour App**. Any questions regarding a local tournament should be posed to the Tournament Director found on the **Tournament Information Page** for each tournament. Each tournament will be limited in the number of entries that can be accepted, therefore entries will be granted on a first-come, first served basis. TOURNAMENT POLICIES

CHECK-IN & STARTING

Players should always check-in with APT staff at least forty-five (45) minutes prior to their official starting time. It is the sole responsibility of the player to be at their assigned starting hole no later than ten (10) minutes prior to their starting time.

A player arriving to their starting hole at their starting time or up to five minutes late will incur the general penalty (2 strokes). Any player arriving five (5) or more minutes after their starting time will be disqualified.

PAIRINGS

APT Staff will notify all competitors of their assigned starting time at least thirty-six (36) hours prior to the start of the event. Pairings will be posted on the **Amateur Players Tour App**, Tournament Information Page, and be emailed/texted to the field.

Please do not contact the Host Facility to inquire about tee times or pairings. All communication regarding the event should be directed to the Tournament Director listed on the Tournament Information Page or APT Staff on-site to handle the event.

TEE ASSIGNMENTS

Here are the approximate distances that each division will play. Please keep in mind that these will change based on course conditions, design of course, par, etc. Projected Tee Assignments will be posted at least a week prior in the Tournament Information Page and are subject to change. The following example is for a par-72 golf course:

Division	Open Yardage	60+ Yardage	Ladies Yardage
Division 1 – 3.4 & Below	6,600 – 7,000	6,300 – 6,600	5,500+
Division 2 – 3.5 – 8.4	6,300 – 6,600	6,000 – 6,300	5,200 - 5,500
Division 3 – 8.5 – 13.4	6,300 – 6,600	6,000 – 6,300	5,200 – 5,500
Division 4 – 13.5 – 18.4	6,000 – 6,300	5,700 - 6,000	4,900 – 5,200
Division 5 – 18.5 & Above	6,000 – 6,300	5,700 – 6,000	4,900 – 5,200

SENIOR TEES – MEN 60+

Senior men aged 60 and over are eligible to play from the 60+ yardage, however for APT Tournament Index purposes, their scores will be posted from the corresponding slope and rating from the open tee in their division. Ladies will play from a similar slope and rating of the men’s open tee in their division.

Senior men aged 60 and over have the option to decline to play the senior tees but cannot decline at a local event and then play the senior tee at any elevated, major, or championship event. Please talk to your Tournament Director on-site should you choose not to play the senior tees.

***NOTE* - Senior men aged 60+ are eligible to play the 60+ tees on their 60th birthday if their birthday is on or before July 9th, 2024. If a senior turns 60 after July 9th, 2024, they will not be eligible to play the senior tees until the 2025 season begins on September 30th, 2024.**

SCORING

While live scoring is utilized using the official Amateur Players Tour App, paper scorecards will be official and used at every event. Players are solely responsible for ensuring that each hole has the correct score on it. At the conclusion of each round, players will review their hole-by-hole scores and each scorecard must have the competitor’s signature and the marker’s signature. Once a player leaves the scoring area, scores are final.

TIEBREAKERS

Weather, course availability and daylight permitting, all ties for 1st place in each Division will be broken by sudden-death playoff on the course. The Host Facility will determine which hole the sudden-death playoff is to begin with. If an on-course playoff for 1st is not available, a scorecard playoff according to USGA® rules will be

used to determine who wins the trophy, but points and purses will be split equally among the competitors.

Ties beyond first place and points and purse will be split equally among the players tied.

TRIPLE BOGEY MAX

Divisions 3, 4 & 5 will observe a triple bogey maximum on any hole. Once a competitor reaches triple bogey for the hole, including penalty strokes, they **MUST** pick up their ball and discontinue play on that hole.

EQUIPMENT

Per the USGA Rules of Golf, tournament competitors may not have more than fourteen (14) golf clubs in their bag during a tournament round. If a competitor has arrived at the first tee with more than fourteen (14) clubs and declares one to be out of play and removes it from his bag prior to hitting their first shot, there will be no penalty assessed so long as the competitor does not attempt any stroke with the removed club during the round. All clubs used in competition must comply with all current USGA Equipment Rules. Violation of these rules may result in penalty or disqualification.

RANGE FINDERS

Range Finders, GPS Watches and Mobile Apps that utilize slope are authorized for use in APT Tournament play.

NOTICE TO COMPETITORS/LOCAL RULES

Local Rules for the Day will be printed on the Notice to Competitors and included in the Rules Sheet given to players when they receive their official scorecards. Do not assume that a local rule used by the golf course will be in effect for tournament play. This includes drop zones, etc. If you have any question on the rules, play two balls and bring the question to the committee.

The Amateur Players Tour Hard Card has all the Local Rules that are always in effect at Amateur Players Tour sanctioned events.

A link to the 2024 APT Conditions of Competition is available on every TIP page.

SPECTATORS

Spectators are welcome at each tournament, noting that each course may have different policies that we abide by as guests of the host facility. Spectators are the responsibility of the associated player who is solely responsible for their proper golf etiquette and general decorum. If any issue(s) arise with their behavior or lack of proper golf etiquette, they will be asked to leave the premises. Golf carts are limited at each event to two carts per group and players always have priority use of a golf cart. Spectators should anticipate and expect to walk the course and stay a reasonable distance away from play as to not be a distraction (i.e walking on green,

etc). **Spectators are under no circumstances allowed to give advice to the player. In the case where this happens, the player will be disqualified.**

CADDIES

No personal caddies are allowed at APT Events. Caddies will only be allowed at specific golf courses where caddies are available to the entire field. Caddie availability will be provided (cost, etc.) prior to the competition.

INCLEMENT WEATHER POLICY

All questions as to whether a Tour Event will be played, delayed or cancelled, should be directed to the Tournament Committee. Do not rely upon communication from the Host Facility staff regarding weather-related decisions. The Tournament Committee and the Host Facility staff will confer to reach a decision regarding beginning, delaying, or stopping play. That decision will be relayed to competitors via the Tour's mobile application, email and/or text. Members should not assume that because it is raining or storming at their home that it is doing so at the Host Facility. If the Host Facility permits play, and the Tournament Committee determines that it is safe, play will go on.

Weather-related conditions may delay or suspend play such as:

- **Lightning**
- **Weather Warnings**
- **Course being deemed unplayable as determined by host facility**

All practice facilities are closed during a suspension of play. Violation of this will result in immediate disqualification and potential additional disciplinary action from the Tour.

If there is a weather delay or suspension of play, every effort will be made by the Tournament Committee to complete the entire event. If weather causes a delay, all players should remain on property and await official announcements from the Tournament Committee. The Tour will communicate by either live announcement, text, or email whether and when play will resume.

As a last option, if a weather delay prevents a tournament from finishing, the following may result in an official tournament:

- 18-hole events may be shortened to 9-holes or 9-holes plus the greatest number of common holes completed. If this isn't possible, it may be rescheduled.
- 36-hole events may become official and be shortened to an 18-hole tournament or 18-holes plus the greatest number of common holes completed.

While the Tour will do everything possible to complete an official and full event, there will be no refunds should inclement weather cause an event to be shortened unless the Host Facility provides a refund to the Tournament Committee. In the event where a tournament must be washed out and cannot be completed, all available refunds and optional cash games will be returned in the form of **Tournament Credit**.

GUESTS & PROSPECTIVE MEMBERS

Members are encouraged to invite and host Guests at Tour Events. Unaccompanied Guests may be permitted to play in Tour Events at the discretion of the Tournament Committee, subject to availability.

Guests and Prospective Members may play in up to two events per year. After the 2nd event the guest must apply for membership to the Tour before he or she will be permitted to register for any additional Tour Events. Members will have priority over Guests or Prospective Members for any event.

Guests who have a verifiable USGA handicap will be placed in a division corresponding with their 12-month low and will be eligible to win prizes at APT events, but all prizes will be paid out in **Tournament Credit**, with the first portion going towards the purchase of an APT membership. Guests who do not have a verifiable handicap will be placed in a division based on the results of a handicap questionnaire.

HANDICAP POLICIES AND PROCEDURES

APT TOURNAMENT INDEX

The APT Tournament Index is a tournament handicap used for flight placement based only on a members Tournament Scores. ***It is not equivalent to a USGA Handicap and should not be viewed as such.*** The Index's sole purpose is to divide members into divisions where players can compete against players of their own skill level and to promote fair play on Tour.

The Tournament Index will be calculated based on the Adjusted Gross Score of the 14 most recent Tour Event rounds, with each score being adjusted for the Course Index differential based on the USGA formula. The index will be calculated using the appropriate average of the lowest differentials multiplied by .96. The following table will be used to determine the players Tournament Index:

# of Tour Event Scores	# of Differentials Used
1	1
2	1
3	2
4	2
5	3

6	3
7	4
8	4
9	5
10	5
11	6
12	6
13	7
14	7

VALIDATING YOUR TOURNAMENT INDEX

A members tournament index will become validated after they post their 7th score to their tournament index. **If a member's tournament index is validated, their APT Tournament Index will be the primary factor used in Division Placement.**

Validated players are exempt from Disqualification based on out of division scores.

NOTE - The Handicap Committee has the right to move any player for any reason at any time in the interest of protecting the integrity of the competition.

UNVALIDATED TOURNAMENT INDEXES

Before a tour member's index is validated, the Handicap Committee will use any relevant data available to ensure that a member is in the correct division. This includes USGA indexes, other tournament data, as well as all other relevant data. The **Handicap Committee** will have sole discretion to move a member up or down before a member's Tournament Index is validated.

EXCEPTIONAL ROUND PROMOTION

If a member shoots a round that is 6 or more strokes below their division range, the **Handicap Committee** reserves the right to re-classify the member into the next division.

TOURNAMENT INDEX REVIEW

If a member fails to post a score within the last 90 days, the Handicap Committee reserves the right to review that members APT Tournament Index, using more recent handicap data (USGA Handicap, Other Tournament Index or History, etc.) to place the member in the proper division based on their recent playing history (up or down).

HANDICAP COMMITTEE

The Tour has created the APT Handicap Committee to oversee all Tournament Indexes and Division Movement. The Handicap Committee is made up of Tour Leadership, 3 Local Chapter Owners and the Tour may also appoint up to four (4) Player Members to the Handicap Committee to provide player input and representation on the Committee.

The APT Handicap Committee will use any relevant data available to ensure that non-Members, new Members and Members with unvalidated Tour Indexes are placed in the correct division. Relevant data includes USGA Handicap indexes and history, other reputable Tournament Indexes, and/or any other relevant data available to the committee.

The chairman of the Handicap Committee is **Matt Fegley** (Northern California). If a player has a question for the handicap committee, please e-mail handicaps@aptgolf.org.

DIVISION MOVEMENT - PROMOTIONS

When a Member's Tournament Index qualifies for promotion, the Member will automatically be promoted to the higher division. Upon promotion, the Member will earn exemptions into this season's North American Championship and next year's Signature Majors in their new division. The member also will retain 100% of their points when they move to their new division.

Members will receive an email of their promotion usually on Thursday after the Handicap Committee Meeting on Wednesday night.

2% FLIGHT LOCK - VALIDATED PLAYERS - JULY 9TH, 2024

Beginning on July 9th, 2024, all validated players will be subject to a **2% Flight Lock** in all divisions. The goal is to allow players to continue to play in the division they started the season in, provided they stay within the 2% variance for their respective division. This will help to avoid the automatic promotion for players who have just barely dipped below the line of their respective division, while still allowing for promotion for players who show that their play requires they move divisions.

2% Flight Lock Restrictions:

When a player's tournament index goes below the division range but within the flight lock range, the player is eligible to remain in that division unless **ANY** of the following are true:

- The player's USGA® Handicap is more than 2 strokes below the Division line (Division 2 – 3.5, Division 3 – 8.5, Division 4 – 13.5, Division 5 – 18.5).
- The player must not be competing on another amateur tour in a more difficult division than their APT division.
- The player must not have been relegated within the last 12 months.

The flight lock will be as follows for the 2024 season (**2% variance**):

- Division 2 – 3.4
- Division 3 – 8.3
- Division 4 – 13.2
- Division 5 – 18.1

DIVISION MOVEMENT - RELEGATIONS

Relegation (formerly known as Demotion) Requests will be considered until July 31st at 5:00pm EST. All requests must be in writing and sent to handicaps@aptgolf.org. **No other form of request will be accepted.** The Handicap Committee will communicate their decision and the why after their next weekly meeting that currently occurs weekly on Wednesdays.

Member's will be split into 3 tiers based on their handicap data and performance in tournaments. This will establish a performance-based approach to accepting and denying relegation requests. Data used will be but not limited to low rounds, USGA handicap, APT Tournament Index, 12-month lows, % of top finishes, division placement on other tours, APT Points Race impact, and wins in new division. Different requirements will be lined out based on what tier Member falls into. The purpose of this is to ensure slumping players who can compete in the more competitive division continue to compete in the more competitive division.

A player may only be relegated once per season. Upon relegation approval, a Member receives 100% of his/her points in their new division.

UNVALIDATED PLAYERS - OUT OF DIVISION SCORES

In the interest of protecting the integrity of any Tour Event, the Tournament Committee shall have the discretion to act during a Tour Event to disqualify an **unvalidated player** if he/she posts a single round score that is:

- More than four (4) strokes (Divisions 2/3) or five (5) strokes (Divisions 4/5) below their division cut off (based on course index adjustment for course slope and rating); **OR**
- More than three (3) strokes below their closest competitor within the division.

PLAYER OF THE YEAR RACES

In each chapter, members will be competing for a Local Player of the Year prize in each division. The player of the year race awards points based on a members finish in each event. Each chapter provides an award for winning your local "Player of the Year", plus players also earn a ranking that gives them exemptions to register for signature events and to earn a spot in the North American Championship or Senior North American Championship. This includes Open Divisions and where available – senior divisions, senior net and open net.

Player of the Year points are awarded based on the number of contestants in each division. For example, you can earn more points by beating 20 people in your division than you can if there are only 8 people in your division.

Points will be given the following multiplier based on the type of event:

- **Local Event – 1x**
- **Elevated Event/Majors – 2x**
- **Local Finals/North American Championship – 2.5x**

Here is an example of the points matrix for a Local Event:

	1	2	3	4	5	6	7	8	9	10	11	12	13	14
1	15													
2	25	5												
3	30	10	5											
4	35	15	5	5										
5	37.5	17.5	10	5	5									
6	40	20	12.5	7.5	5	5								
7	42.5	22.5	15	10	5	5	5							
8	45	25	17.5	12.5	5	5	5	5						
9	46	26	18	13.5	11.5	5	5	5	5					
10	47	27	19	15	12.5	9.5	5	5	5	5				
11	47.5	27.5	19.5	15.5	13	10.5	9	7.5	5	5	5			
12	48	28	20	16.5	14	12	10.5	8.5	7.5	5	5	5		
13	48.5	28.5	20.5	17.5	15	13	11.5	10	8.5	7	5	5	5	
14	49	29	21	18	16	14	12	11	9.5	8.5	7	5	5	5

Local Player of the Year Races will be determined as follows:

- **Local Events – Best 8 finishes**
- **Elevated Events/Majors – Best 2 finishes**
- **Local Finals**

***NOTE* - A player who does not play at least 5 local events in their local chapter may not be eligible to win their local chapter’s Player of the Year race.**

***NOTE* - Local Finals may be restricted to only members of the local chapter(s) that are hosting the local finals.**

DIFFICULTY MULTIPLIER

Recognizing the variance in difficulty between divisional competition based on yardage and level of competition, the Tour will add a difficulty multiplier to each division contest. ***Because of this, players moving up or down a division will keep 100% of their points.*** The Tour has developed a proprietary algorithm to simulate where a player would finish if they were playing in the new division, using a data-driven approach to consider the tee box changes and competitive playing level of moving to a different division. The division multiplier added to the points matrix will be as follows:

- **Division 1 – 10x**
- **Division 2 – 5.75x**
- **Division 3 – 3.6x**
- **Division 4 – 1.75x**
- **Division 5 – 1x**

POINTS MOVEMENT

When a player moves divisions (up or down), the player keeps 100% of their points. It may benefit players to play in a more competitive division to earn more points if their play and potential outside of the Amateur Players Tour signals a promotion is coming soon in tour play.

EXCEPTIONAL PERFORMANCE IN A LOWER DIVISION

In the rare event that a player has built a significant lead when they are promoted, the Tour may put a “marker” with that player’s points in the division that were earned in that division. If a player’s points earned exclusively in that division are enough to win him/her their LOCAL player of the year, then that player may be awarded the Local Player of the Year in that division.

GLOBAL GOLF NATIONAL PLAYER OF THE YEAR
